Learn more about the Storm Drainage and Flood Risk Mitigation fee

Kyle City Council adopted the Storm Drainage and Flood Risk Mitigation Utility Ordinance. It includes a storm drainage fee, allowing the city to start addressing future flooding and maintain our existing infrastructure and design.

The utility will also help the city install new infrastructure so we can focus on stormwater

issues and a backlog of drainage projects.

www.kylestormwater.com.

Old School Recess Fun at Kyle Field Day

Kyle Field Day, presented by Chuck Nash Chevrolet Buick GMC, takes it back to the schoolyard for a high-energy weekend of throwback fun – this time with beer. This event is for adults 21+ who enjoy a little friendly competition.

Co-ed teams of all athletic levels will engage in old-school recess games like Tug-o-War and Relay Races, thanks to Main Event sponsors like State Farm, Cory Pack Agent. Don't forget about Giant Jenga, Giant Connect 4 and a Human Foosball Game (thanks to Home Depot)!

Takes place March 31-April 1

Vendor and Sponsor Opportunities Available!

Register before March 12 for early bird pricing!

Learn more at www.kylefieldday.com

Look for Little Free Libraries around Kyle

Have you seen those tiny red boxes around town and wondered, what the heck? Well those are Little Free Libraries! Stop by the next one you see and borrow a book. Or leave one. Anyone can take a book to read or bring a book to share.

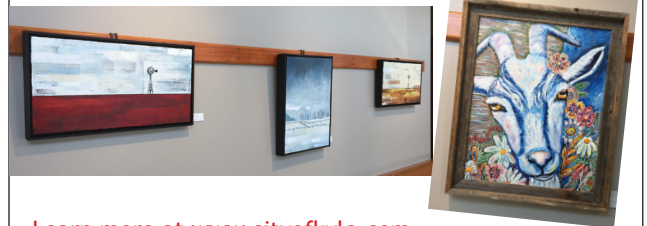

Kyle Public Librarian Jane Ray worked with the Texas State Library and Archives Commission to obtain four libraries free of charge, then joined forces with the Parks Department to determine installation locations.

Thanks to this combined effort, Little Free Libraries are now available at City Square Park, Steeplechase Park, Gregg-Clarke Park and the Kyle Railroad Depot and Heritage Center.

Art the Halls Spring 2017

Stop by Kyle City Hall and Kyle Public Library beginning March 2. Works of art (selected by a jury process) from local artists will adorn the walls as we beautify Kyle.

Water Wise & Sewer Savvy

Ever wondered how to stay up to date with the latest water conservation measures? Or if a certain material is safe to dispose of in the sanitary sewer? (Those trendy wipes really aren't good for the system.)

As our city grows, residents need simple, concise answers to those sort of questions. That is the goal of Water Wise and Sewer Savvy, the city's newest outreach education effort.

Traffic changes coming on Goforth Road

Construction continues on Goforth Rd. between the I-35 access road and Elmhurst Drive. The end result will be a nice new road!

Over the next few weeks, traffic patterns will shift as the contractor finishes out the southern end of Goforth Rd. near CubeSmart storage.

Stay tuned to the city's Facebook page and be sure to sign up for the weekly e-News for all the latest and greatest info.

Recycling & Composting the right way

It is important to recycle and compost right.

What can be recycled:

Paper – including junk mail, newspapers, magazines

Cardboard – including cereal boxes, shipping boxes, shoe boxes

Containers – EMPTY containers made of plastic, metal, aluminum and glass, including bottles and cans

What can be composted:

Yard Debris – including grass clippings, tree and shrub limbs

Soiled Paper and Cardboard – including pizza boxes, paper towels, paper napkins
